**RESPONSE TO NOTICE DATED MARCH 8, 2010**  
**REQUESTING RESUBMISSION OF TIMELY RESPONSE**  
**AND RCE FILED MARCH 4, 2010**

SIR:

In response to the Notice dated March 8, 2010, requesting correction of the informality; Applications respond with a corrected submission of the prior timely filing. Because the earlier RCE PT/SB/30 form was timely executed, and due to the risk of double charging, a re-executed PTO/SB/30 form is not submitted with this corrected response. The RCE submission was timely made. No additional fees are believed with this timely response with the 30 day schedule. Should fees be necessary, authorization is provided to access Dept. Act. No. 10-10100 (BRYER.P019)

Respectfully Submitted
